

E-MAIL FORM
IPA/ Erasmus MC Pompe Survey

The Pompe Survey is online

The Pompe survey is filled in through a secure internet page. Each year we will send you a personal link to this internet page so you can complete the survey when it suits you. You do not have to complete all the questions of the survey at once. You can close the browser at any point and continue later, using the same link. Your answers will have been saved.

In order to be able to send you this link, we ask you to provide your e-mail address. If it is not possible for you to use e-mail or the internet, could you please provide your postal address instead so we can approach you by post? (You can write your postal address in the blank space at the bottom of the form and cross out the section for e-mail address).
